Mail Completed Registration Form with Payment by Check to:

Cleaning Industry Climate Initiative, Leonardo Academy, 1526 Chandler St., Madison, WI 53711

Once you submit this information and your registration fee of \$200, Leonardo Academy will calculate a preliminary estimate of the annual emissions of your company and the cost of purchasing offsets to offsetting these emissions by 300%.

When payment for the 300% emissions offsets is received by Leonardo Academy, you will receive a certificate recognizing your company as being registered in this program. Your company will be listed as being registered on the Leonardo Academy's Cleaner & Greener® website for the Cleaning Industry Climate Initiative.
